A: Yes, D/Cllr will speak on this later Clerk to check Asset of Community Value renewal
2026/80	**UPDATES FROM COUNTY/DISTRICT COUNCILLORS**
a.	To receive an update from the RAF representative: apologies received, a Report had been sent, see *APPENDIX A*

	The Chairman had also received an update from Natalie Murphy, base Liaison Officer at RAF Mildenhall: the third air force command chief has joined, heavily armed gunships arrived at the RAF air base, aka "Ghostriders". US planes utilised a Scottish airport during the operation to seize the tanker. France has pledged troops for Ukraine. Britain is entering talks with NATO to counter Russia/ China, in the Arctic Circle. There is much concern about the deaths in Iran.
b.	To receive an update from C/Cllr Colin Noble: not present • Chairman: there was vote yesterday, encouraging the government to make the decision about upcoming elections. C/Cllr Noble would have been able to tell us more but was not present.
c.	To receive an update from West Suffolk D/Cllr Gerald Kelly and /or D/Cllr Tracy Whitehead. **D/Cllr Kelly reported** • The vote yesterday was to come from the Suffolk County Council Leader of the Council, who decided not to respond quite yet. • Budget: West Suffolk £200 for a band. WSC have a stable budget for next two years. The 25 major projects are still on track. • Active Lakenheath (AL): we have the Pride in Place Programme (PIPP) coming along, which is big stuff. £2 million a year for next 10 years is theoretically what we are likely to get. There is an anomaly in that Lords Walk is included, but not the rest of Eriswell (allocation was on ONS data sets). Whatever happens with Local government reform, by the time we get to Unitary/ other, PIPP could move from West Suffolk Council being the responsible authority to a CIC or Parish Council. This is extraordinary. Both AL and PIPP include Lords Walk, I have been talking with the EPC Chairman to make sure things are done fairly. Central government has picked out 118 areas which are in most need. There is a huge financial gap between what we should be getting in, 48% of residents do not pay council tax. Hospitals, etc are `behind the wire` and therefore inaccessible. PIPP must be community led, we need to know exactly what it is that we want. Q: Problem with land acquisition A: Compulsory purchase is possible under PIPP. A Board Chair to be appointed in consultation with the MP, councillors may not apply to be a chair. Cllr James commented that he is aware of negativity at Lords Walk, as the situation has gone on for so long. Cllr B Foster felt that the signage would not be tolerated elsewhere. D/Cllr commented that West Suffolk Council had approached both the landowner and the advertisers, the reality is that there have been a number of prosecutions recently – WSC have to rely on legal action. Fines are seen as a business expense. Awaiting a date for the Lords Walk court case. Elveden Farms (Mr Blenkiron) have been very proactive, particularly with the permissive pathway and community facilities, working with our community, unlike the Lords Walk land owner.
d.	To receive an update from Police Officer Scott Cameron: apologies received, a report had been sent, which the Chairman read out- see *Appendix B*
e.	To receive an update from Mr A Blenkiron, MD Elveden Farms: apologies received. A1065 – pile of rubbish has been removed (fly tipping removal)

a.	The SID Report from Cllr G Tolmie, manager of SID device was **RECEIVED** *APPENDIX F*

2026/85	**CHAIRMANS and OTHER REPORTS**

a.	Chairmans/ clerk reports (i) Christmas 2025 update: the new electrical socket at the Manna café meant that the tree was properly lit this year. Suggested were a children's party at the Reading Room and carol singing with mince pies and mulled wine at the Pavilion (not on Christmas eve as people have other commitments) (ii) Installation of memorial seat at the Reading Room: The clerk thanked Cllr B Foster, with Cllr J Foster as labourer, for getting the base ready, which was a huge task, tough work and meant mixing and moving half a ton of cement. Their time was given freely; it would have been expensive to employ a sub-contractor. Doug and Garth offered to assist on the final installation, the weather has been far too cold lately to proceed, perhaps in the Springtime. (iii) Application to C/Cllr Noble to remove and re-install black/white reflective plastic posts by the war memorial, Sparkes Corner, and between Mildenhall. This had been suggested by Cllr J Foster, clerk sought approval from full council to go ahead. It may be possible to obtain the posts and re- instal ourselves.
b.	Councillors' reports (on the night) No additional reports
c.	Reports from other groups a) Eriswell Recreation Ground Committee: October meeting (Cllr Tolmie) The major works at the Pavilion have been accomplished, with help from Elveden. The plasterer was very good and reasonable. Currently being painted by volunteers – clerk showed a photo. Usage could be varied, e.g. Book club, children's party, quilting group, refreshment for the football people. b) Reading Room Committee (Cllr Bibbey): Again, grateful thanks to Cllrs Foster for pushing on with the bulk of the work to get the seat installed. c) Poor's Charity (Cllr B Foster): two people are interested in renting the land, have arranged meetings. Sounds promising. Any documentation will need to be tailored. d) Report from Cllr G Tolmie, Eriswell Footpath Warden: cutting schedule soon e) Report: Eriswell Remembrance service 2025: left on in error
2026/86	**CORRESPONDENCE/ EXCHANGE OF INFORMATION:** Information may be shared (with the permission of the Chairman) The huge tractor tyre is still a problem at Lords Walk; would a solution be to cut it up ready for disposal. It is not on West Suffolk Land so cannot be reported. The collectors have taken away an offensive bin. *Meeting closed at 8.55 pm*

Appendix A

RAF Lakenheath report to Eriswell Parish Council January 2026.

- I and the 48 FW would like to wish you all a very happy New Year and thank you for your support and understanding over the past year. We look forward to working with you in 2026.

- Alongside fellow USVF colleagues from RAF Mildenhall, the 48 FW Chaplain assisted with the recent Memorial for the B-17G Flying Fortress 'Mission Mistress' in Bury St. Edmunds on Tues 6 Jan. The WW2 memorial was unveiled on the 81st anniversary at the crash site on the Moreton Hall Estate and included family members from the US that flew over especially.

- Our USVF colleagues at RAF Mildenhall played a key role in the seizure of a Russian-flagged tanker in the North Atlantic this month, an operation that was also supported by RAF surveillance aircraft and a Royal Navy support ship. The UK government position is that we are stepping up activity against shadow vessels, and the US thanked the Ministry of Defence for its "unwavering support" during the operation.

- Exercise Point Blank is running from 26 Jan – 6 Feb. This is a significant joint exercise with NATO partners and there may be additional flying activity.

- As a summary of community activities by RAF Lakenheath in 2025 (covering Suffolk, Norfolk and Cambs), the CRA provides the following statistics. It's worth noting that this activity is despite the pause during the 42 days of US government shutdown.
    - 34 civic and local invitations supported
    - 10 memorial requests supported
    - 22 Remembrance events attended
    - 24 volunteer opportunities committed

Victoria Quamina Community Relations Adviser, RAF Lakenheath

Appendix B

Unfortunately, I am unable to attend this month's meeting. However, I would like to share the following updates and explain how we will be addressing key issues in your area:

I have included issues covering Lakenheath too due to the close proximity of both villages.

Suffolk Connected

Stay informed and have your say!

Update: *Suffolk Connected* is now live and growing. Residents can sign up for local policing updates, appeals, events and short surveys that shape local priorities.

Action: We will use Suffolk Connected to push timely alerts, seek feedback on local priorities, and advertise Street Meets/engagements. Please sign up at suffolkconnected.org.uk.

Speeding and road safety

Context: Recent checks have shown that there are still ongoing issues with speeding in and around the area of Eriswell and Lakenheath.

Actions we're taking:

Targeted roadside operations over the coming weeks focusing on speed enforcement and document checks (insurance/MOT/tax). These will be intelligence-led and at peak complaint times/locations.

Partnership working with RAF Lakenheath/Mildenhall on local safety briefings and compliance with their driving policies near the bases to reduce collision risk.

High-visibility patrols and, where appropriate, use of detection equipment at problem locations in Eriswell and Lakenheath based on recent reports.

Local crime picture & policing priorities:

Context: Suffolk Police list of our priorities in the surrounding area:

(a) disrupting drug supply,

(b) reducing acquisitive crime (burglary/vehicle crime)

(c) tackling anti-social behaviour (ASB).

Actions we're taking:

Drugs: Intelligence-led stop/search, warrants, arrests and safeguarding of those at risk of exploitation; school inputs on drug harm/exploitation.

Burglary/vehicle crime: Targeted patrols ("Pulse"), house-to-house prevention advice, and distribution of SmartWater kits.

ASB: Problem-solving plans with partners (CSP), pop-up engagements, and proportionate enforcement where necessary; recent charges for criminal damage linked to vehicle offences.

How residents can help:

Sign up to Suffolk Connected for local alerts and quick surveys that directly shape patrol plans and operations:

Report concerns (non-emergency via the Suffolk Police website/101; emergencies via 999).

If you have specific concerns about speeding or crime trends, please let me know.

Kind regards,

PC Scott Cameron

Appendix F SID REPORT

Eriswell Parish Council Traffic Report November 2025
On 08 May 2024 at 18:00 the SID was installed on the B1112 on the pole positioned opposite the Volvo dealership, The Street, in the village of Eriswell. The SID was positioned to monitor traffic coming from the direction Lakenheath heading South towards Eriswell Village.

Traffic speed and volumes were measured from 00:00AM 31st October up until 23:59PM on 30th November 2025.

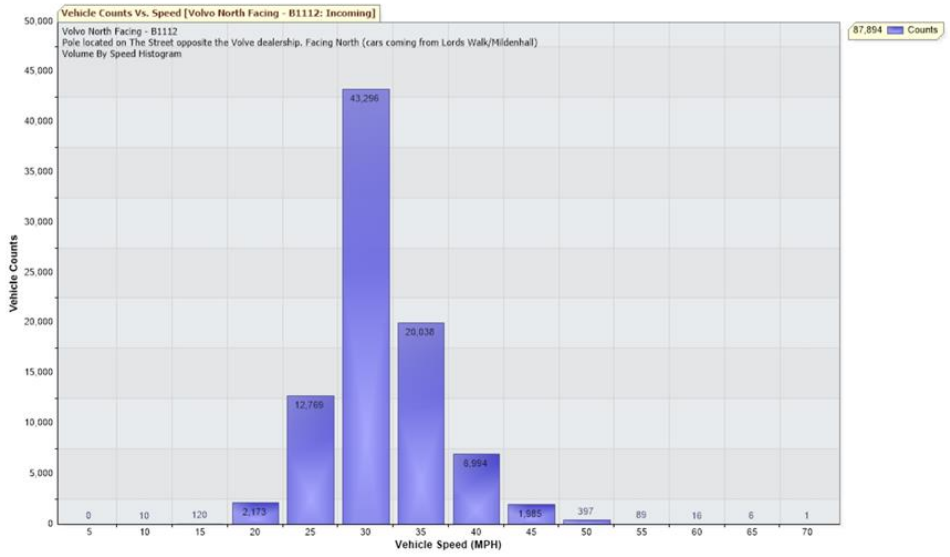

There was between 2700 and 3300 vehicles on weekdays passing this point. There was between 2000 and 2500 vehicles per day over the weekend heading towards the village.

The busiest times during the week was 08:00-09:00 (Avg. 253 cars p/h) and 16:00-17:00 (Avg. 235 cars p/h).
The 85th Percentile Speed (most people) travel at or below 34.1 MPH past his point. The 50th Percentile Speed (half the traffic) travel at or below 28.3 MPH past his point.

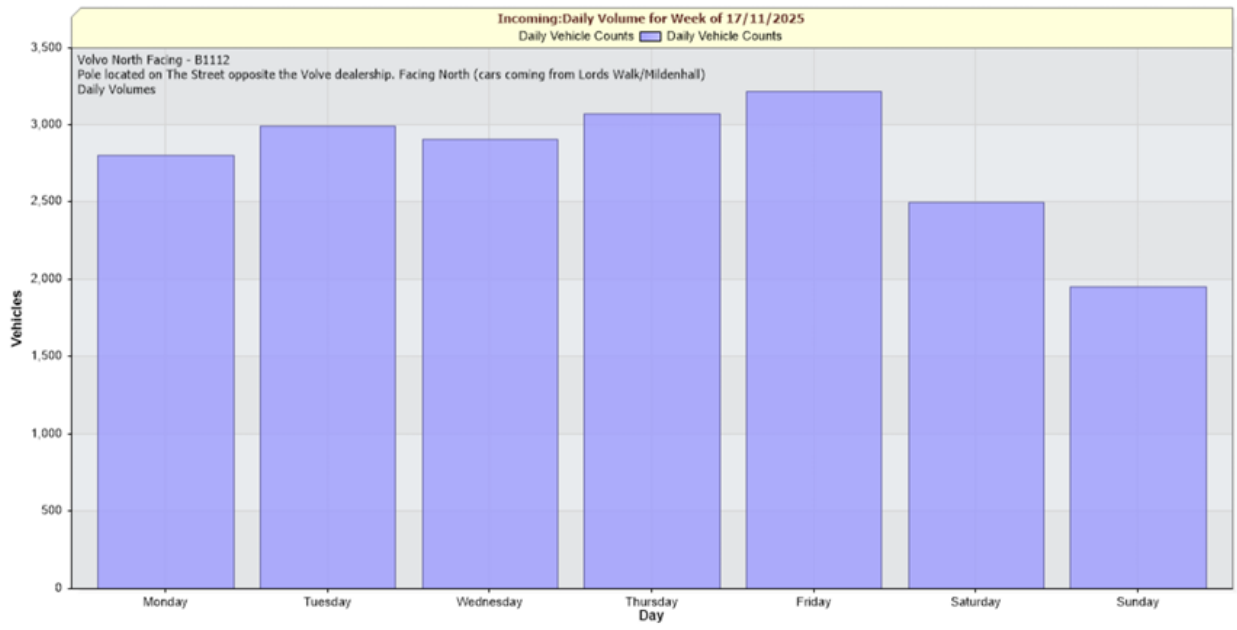

The fastest speeds recorded during this period was 70MPH (x1) and 65MPH (x6).
